

AS 59

The AS 59 range includes four models of very capacious wet/dry vacuum cleaners:

- the standard plastic version
- the SCA plastic version, equipped with draining tank hose for liquids
- the standard steel version
- the KIT steel version equipped with antistatic kit

Designed for picking up large quantities of dirt, these machines feature two separate switching motors; paper filter bag with cap, drain kit, additional nylon filter and spacer for the plastic bag are also available on demand.
